FOR IMMEDIATE RELEASE

Manhasset, New York (June, 2017) - NIF Group, Inc., a leading Wholesale Broker, Program Administrator and Managing General Agency, announces that they have been awarded the prestigious Five Star designation for the 2nd consecutive year from Insurance Business America Magazine. Thousands of independent agents and producers were asked to rate their wholesale partners on a scale of 1 (poor) to 10 (excellent) in seven key areas: premium pricing, underwriting expertise, claims support, range of products, technology & automation, marketing, and compensation. Wholesale agencies that earned an average score of 8 or higher across all seven criteria are awarded the five star designation. Only 41 wholesale agencies received the five star designation for 2017.

NIF was specifically recognized for their expertise in both Nonprofits and Professional Liability specialty classes. “It’s a fantastic honor to be recognized as a Five Star organization by your clients for two consecutive years” stated Mark P. Maher, President and Chief Operating Officer of NIF Group, Inc. “By forging long term relationships with our agents and carriers since 1976, we’ve been able to deliver the skilled service and product access that the marketplace demands year after year”.

NIF is a leader in Program Business for Nonprofits, Social Service Agencies, Bowling Centers, and Contractors. NIF Pro, a specialized division of NIF, was created in 1994 to address the needs of agents focusing exclusively on the negotiation and placement of all Management Liability, Professional Liability, Employment Practices Liability and Cyber Liability products. In addition to NIF’s specialty services and programs, they also serve as a nationwide brokerage and regional managing general agency for difficult to place property & casualty risks. Since December 2016, NIF has been a premier portfolio company of JenCap Holdings which was formed by The Carlyle Group (Nasdaq: CG).
